The announcement that William F. Fitz-gerald will use that well-known trade-mark, "McCaull Opera Company," by arrangement with Col. McCaull, is quite interesting. Mr. Fitzgerald intends to produce Charles Puer-ter of the Charles Puer-ter of the Charles Puer-ter of the Charles Puernotice would be worth more than the ner's opera, "The Pyramids," that was sung in this city a few years ago. The company is of their domestic happiness might also be like memento of the voyager could be

There will be mainees of the "Black Crook" at the Academy of Music on Wednesday, Thursday, Friday and Saturday of the jubilee week.

"Lady Windermere's Fan," Oscar Wilde's play that is to be produced here by Charles Froiman, was accepted by Mr. Alexander, of London, because he had "long been persuaded that Mr. Oscar Wilde could write a good society play." He had been struck with Wilde's dramatic faculty in the novel "Drian Grey," Oscar took the plot of his play to Alexander long before the piece was written. Alexander liked the plot, and Oscar went to work. The fact that the third act of "Lady Windermere's Fan," resembles "The fidler" is noted as a "pure coincidence," Mr. Wilde never even having heard of Mr. Haddon Chomber's play. Mr. Alexander offered x1,000 for "Lady Windermere's Fan," but Wilde preferred royaltes, and has already reif the sum of the fragments made more recorded that a case of small-pox went three days undetected in a public hospital. Wilde preferred royalties, and has already re-With five local tickets in sight and ceived £2,000.

If there is a small double boiler at addition to the ranks of the child see hand it may be used; silr slowly until the She is a bright and beautiful little girl mixture begins to thicken, then add the years and made her first appearance is beaten whites of the eggs and stir for two learning made her first appearance ninutes, or until the who cream. Remove from the fire, pour into a howl or dish, and set away to cool. Serve in formerly a member of the Union Square a small, pretty china cups or small glass

A novel idea, and one which has its uses, is o hang a chime of small bells on the door A lady, who is somewhat timli and is much alone, has chimes of different tones on most of the doors in her house. They are arranged that the slightest movement of the door sets them ringing. With this arrange-ment it would be impossible for any intruder o enter unawares.

Why Are You Fat? What causes obesity? Largely the food

is edged with the same. The cloak is nearly we eat; though very fat people are not necesthe same at the back as in from, and falls in sarily large outers, yet they are apt to be either given to much eating or drinking portian is prettilly folded, and the pointed Beer and alcohol are very fattening, also all trimming in trent is of black sick embroidered kinds of sweets. When one has a tendency to obesity (we things are absolutely necessarydiet and physical exercise. When the Empress hitzabeth of Austria perceived that her She is the daughter of a newspaper beautifully moulded chin was losing its curve and her mother tefore marriage was a It is possible to get such extremely pretty rugs, even of large size, at rates within the of outline and her waist growing larger she in the Athens of Elline is, Jacksonville. Ze "The Faw in the Moonlight"—sho in journeying throng a list that has not seen it, sometimes in the Atlants of little and thousekeepers can begins a mertines and hope, fear, analys, all induge their ambition for rug-covered floors depleted in the expression, and these emotions, which are onacted by the aplended company, with the same onacted by the aplended company, with the same to the wonder at the star, the same reason. The same of their ambition for rug-covered floors are not to be the wonder at the same to the same reason.

Mr. Mantell as the star, there or ages to be the wonder at the crowded drawn to Procters. Only one leads to go on tour during the same processing the s
